HARD ROCK
SAFE +
SOUND

The SAFE + SOUND program implements the highest level of safety, sanitization, and employee training.

From the initial welcome at check-in down to each detail inside guest rooms and common areas throughout the property, there is a heightened focus on cleanliness.

A couple is diving from the deck of a white sailboat into the clear blue ocean. The woman is in the air, wearing a black bikini, and the man is below her, wearing blue shorts. The sailboat's mast and rigging are visible on the left. In the background, a dark, rocky cliff rises from the water under a bright, sunny sky.

Hola TENERIFE

To swim in faraway seas,
to stuff ourselves with the most
delicious food,
to take a thousand selfies,
until we have one we both like.
To get lost following the GPS,
that's a must!
Until we change upon a
spectacular setting,
worthy of a movie,
and end up on the Moon
or on Mars wherever,
as long as it's with you.

We spend our lives wanting to
go so far away, that we miss
the paradise we have nearby

Stay close. Feel far away.
