Vienna

A SYMPHONY OF CHARMING GRACE SINCE 1892

EXPERIENCE LIVING HISTORY

The Hotel Bristol, a Luxury Collection Hotel next to the Vienna State Opera has been an inspiring meeting point of Vienna's rich cultural and business life for a hundred twenty years. Here, you enjoy spectacular vistas of the city center and get inspired by look just through the window seeing the opera house vis-à-vis: reside à la Gustav Mahler or Herbert von Karajan, who once also directed the fate of the great house of music. Savour inspiring moments at the Bristol – an authentic jewel of Art Déco in Vienna.

VIENNA FLAIR IN STYLE

Precious antiques blend harmoniously with state-of-the-art technology turning the Hotel Bristol into an urban oasis amidst the city's hustle and bustle. With its 150 exclusive rooms and suites, including the legendary Prince of Wales Suite, the Bristol is a living example for charming accommodation with a very personal attention to excellent service for a memorable Vienna experience.

EXCEPTIONAL CULINARY DELIGHTS

Whether opulent or light – the Bristol Wien cuisine excels in first-class local products. Throughout the day our guests enjoy light culinary specialties. In the evening, the Restaurant Bristol is and will remain a classic among Viennese restaurants – not only for visitors of Vienna's State Opera. Characterized by elegant wood paneling, the intimate hideaway Bristol Bar is a popular meeting place for Viennese and international guests inviting to stay in a stylish ambiance.
