Le Mas Sant Joan

“ the warmth of the climate
between land and sea. ”

We are in a 16th century farmhouse in Catalonia, located north of Barcelona, one hour from Perpignan and 30 minutes from Girona and its airport, offering direct flights from throughout Europe. It takes just a few minutes by bicycle to get to the beach! The relaxing atmosphere of your stay, with the sea-softened sun and the brilliance of Empordà – a province known for its sweet evenings – these are ingredients that feed team building.

At the heart of this magnificent sixteenth-century country house, nestled between the sea and the mountains, enjoy seminars accompanied by delicious Mediterranean cuisine! Dive into a timeless universe, littered with invigorating activities such as a tour by 'burricleta' electric bicycle, paddle tennis or even a teambuilding trip in the sea ...

Yann

Yann has always known that cooking was his thing: "My father's mother had a restaurant in Orléans. She used the vegetables from her garden to cook with. She also made cakes! My maternal great-grandfather was the Rothschild family's pastry chef in Sologne... I've kept several of his extraordinary cookbooks – they're over 100 years old – as well as his favourite knife! When I was twelve, I used to make up cake recipes all by myself in my mother's kitchen!" I look forward to seeing you in Catalonia...
